

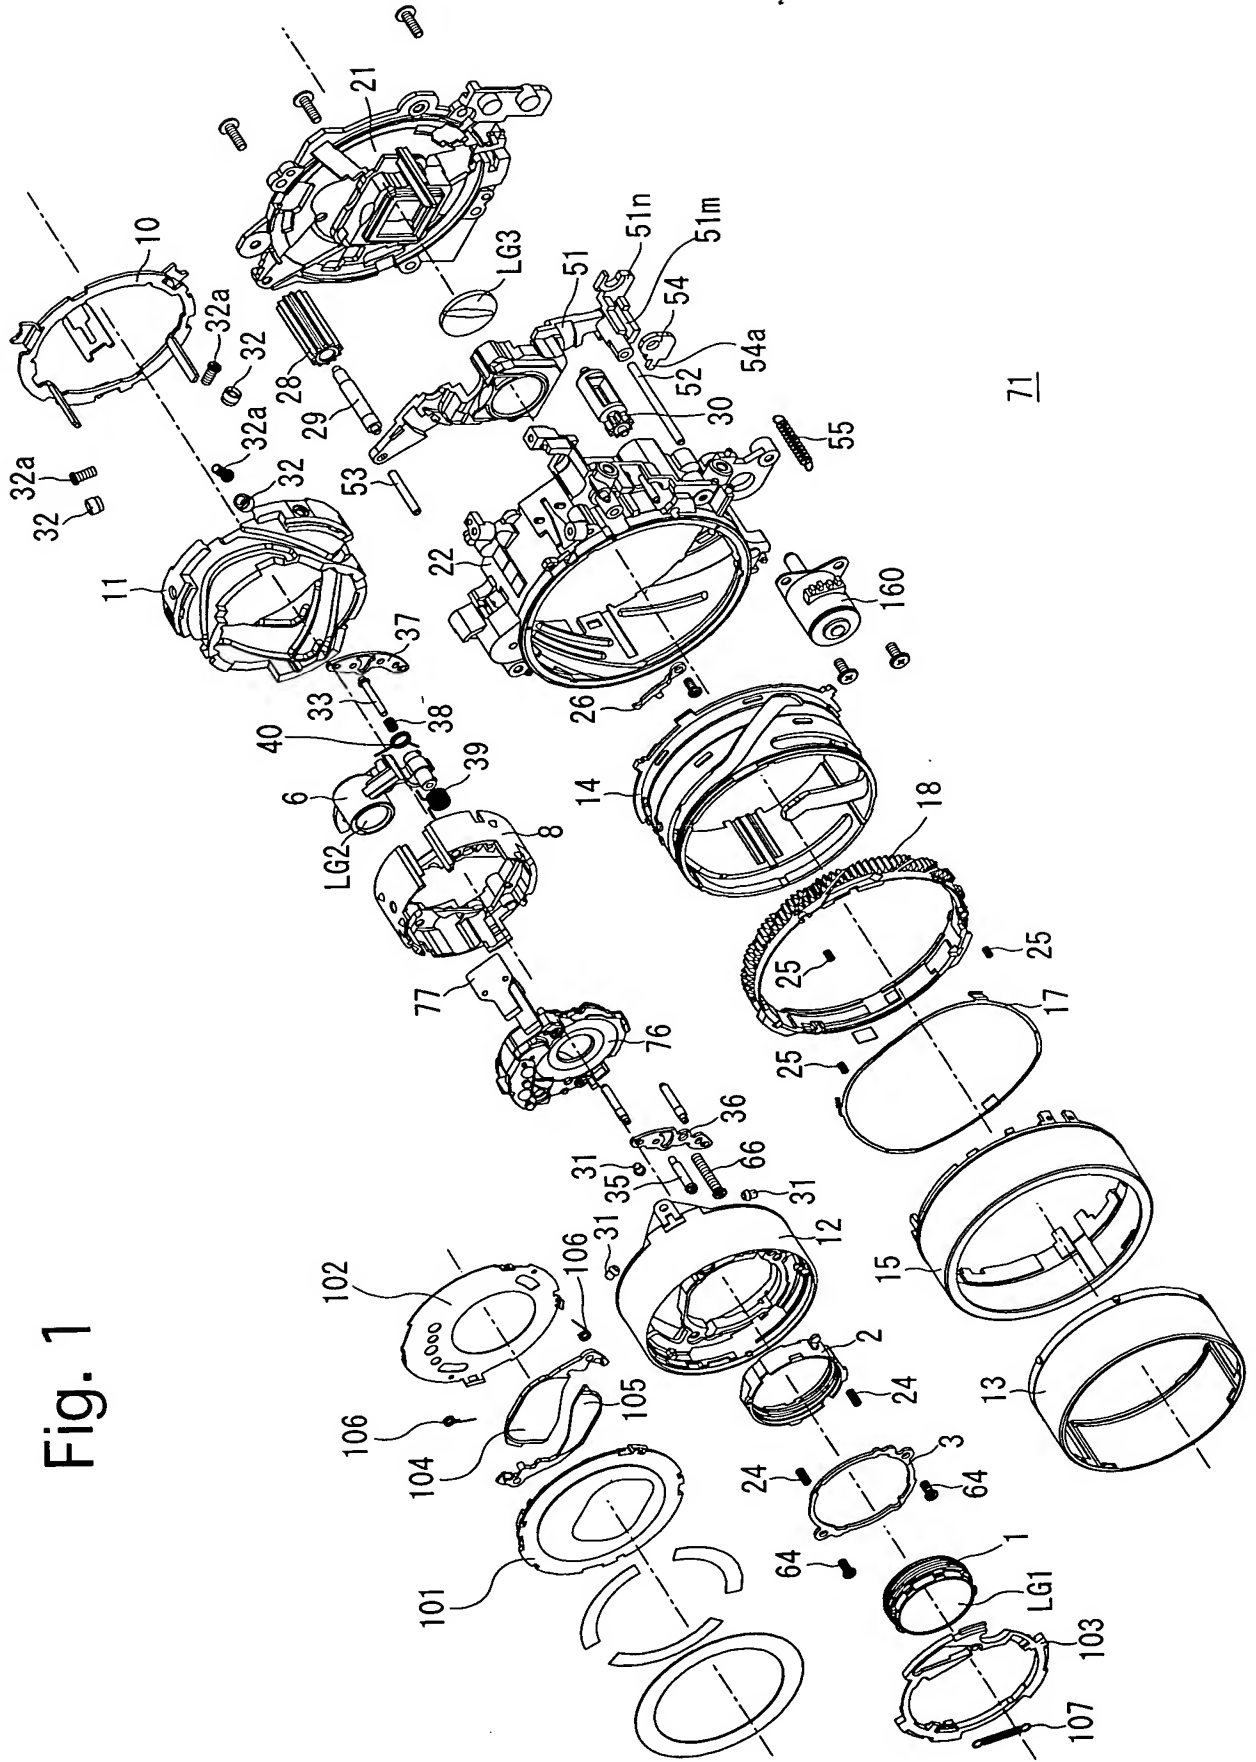

Fig. 1

This exploded perspective view shows the assembly of the lens assembly 1. It includes the lens barrel 1, lens group LG1, and various internal components like the lens holder 2, lens support 3, and lens support 64. The lens barrel 1 is shown with its front and rear flanges 1a and 1b. The lens group LG1 is shown with its front and rear flanges LG1a and LG1b. The lens holder 2 is shown with its front and rear flanges 2a and 2b. The lens support 3 is shown with its front and rear flanges 3a and 3b. The lens support 64 is shown with its front and rear flanges 64a and 64b. The lens support 64 is also shown with its front and rear flanges 64a and 64b. The lens support 64 is also shown with its front and rear flanges 64a and 64b.

Fig. 118 is a cross-sectional view of a mechanical assembly. The assembly includes a main body 6 with a curved outer edge 6a and a central circular feature 40. The central feature 40 has a cross-hatched inner section 33 and a ring 6b. A component 21 is mounted on the side of the main body 6, featuring a hatched section 21a and a dashed section 21d. A vertical arrow indicates 'Upward' and 'Downward' directions. A curved arrow labeled 'Z1' indicates a rotational direction. Other labels include 6c, 6p, 40a, 6i, 21c, 21e, 6j, 40b, and 6k.

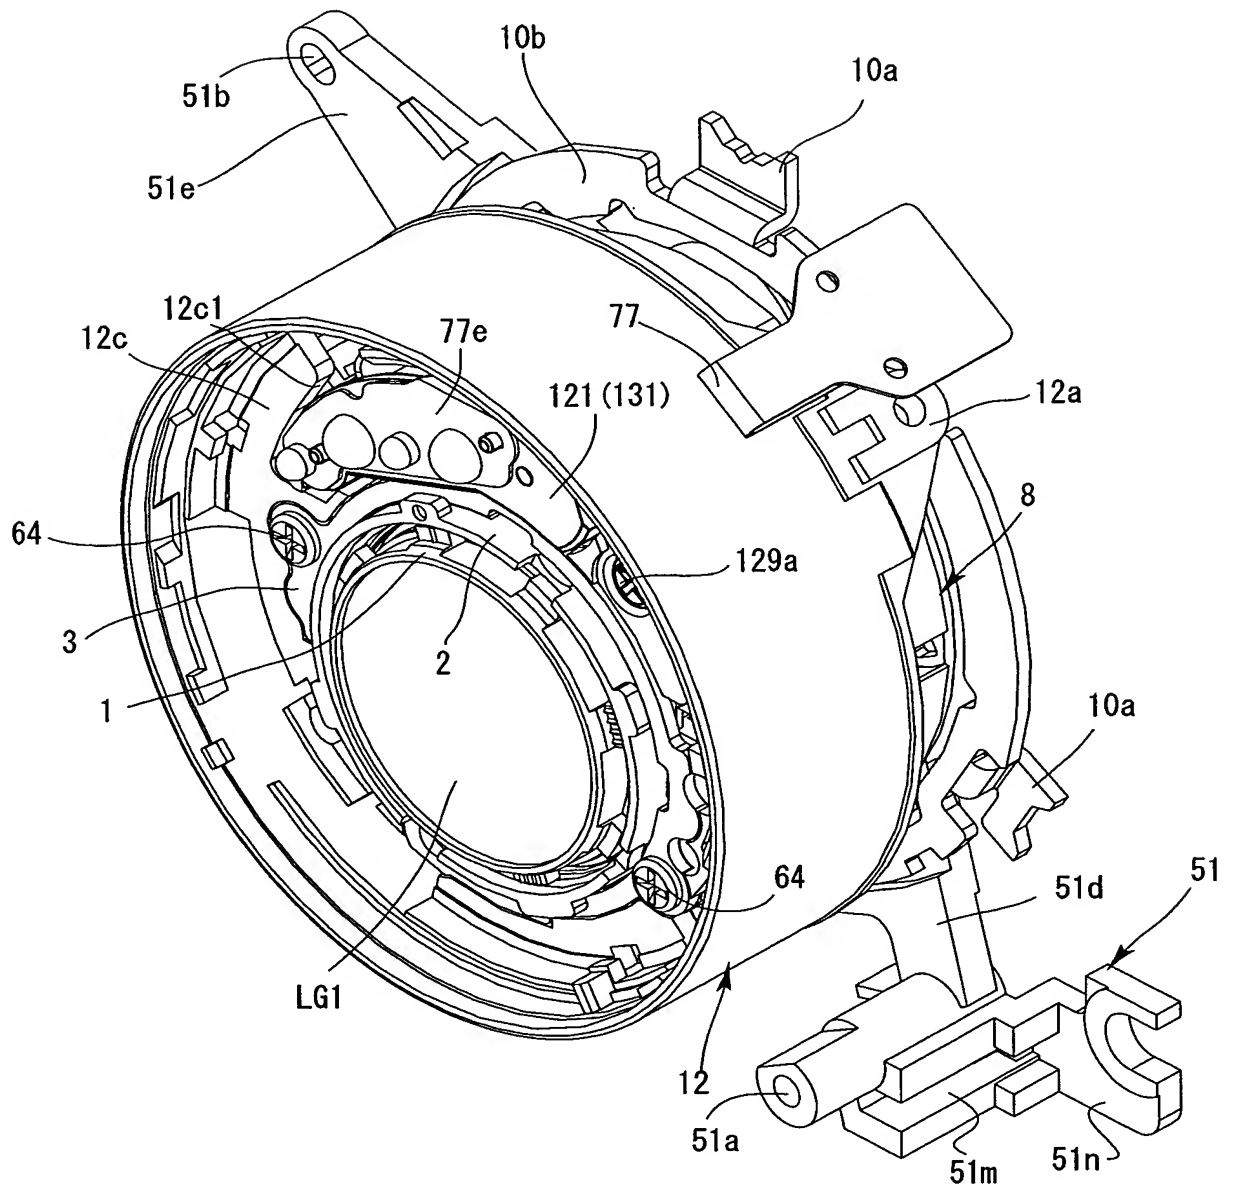

Fig. 139

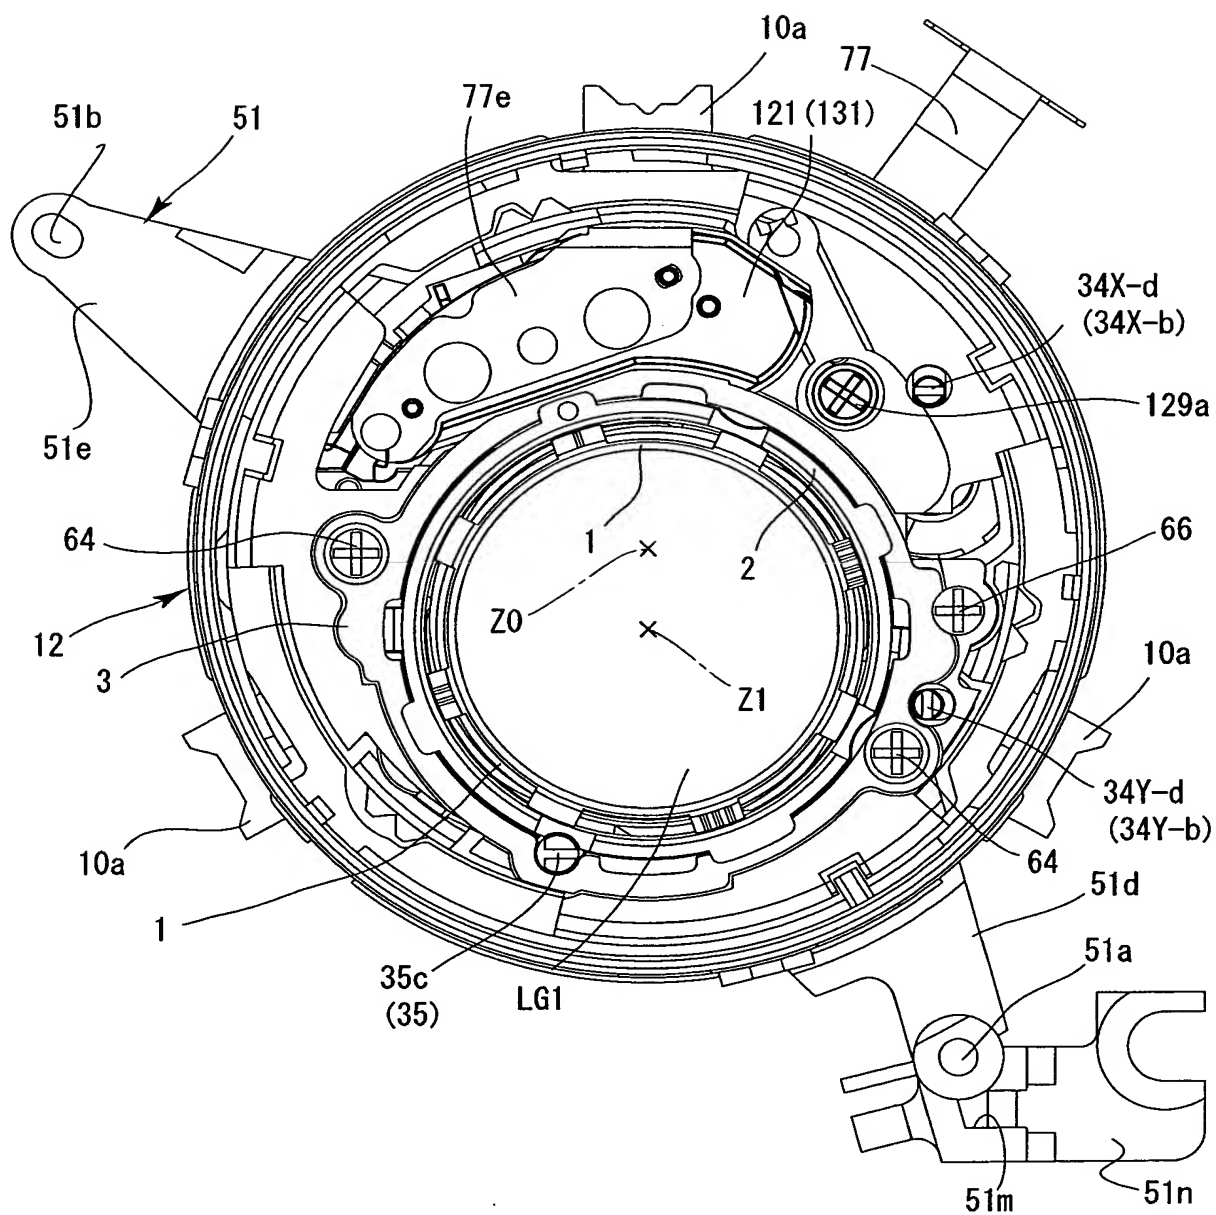

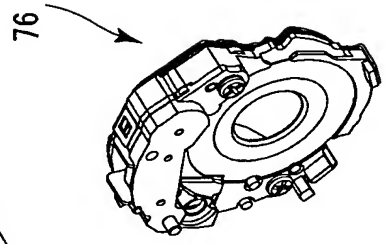

Fig. 140

This exploded perspective view illustrates the assembly of a mechanical component 76. The assembly includes a main housing 120, a front cover 126, and a rear cover 125. The front cover 126 features a central opening 120a and is secured by a bolt 129c. The rear cover 125 is secured by a bolt 129a. A central shaft 121 is shown with various components including a pulley 122, a gear 123, and a bracket 124. The assembly is also shown with a side view 125a and a top view 126a. The exploded view shows the relationship between the housing 120, the covers 125 and 126, and the internal components 121, 122, 123, and 124. The exploded view is shown in a perspective view, with dashed lines indicating the assembly path. The exploded view is shown in a perspective view, with dashed lines indicating the assembly path.
